Join Our Provider Network

Blue Cross Blue Shield providers are a part of the largest network in the state, with tools that let you check benefits, submit claims and process payments. Here's how to enroll with us.

How it works

Select the tab below that best describes your area of service. If you are a provider who represents a hospital or medical facility, choose that option.

Professional Providers | Hospitals and Facilities

Enrollment overview

Step 1 Get credentialed

Step 2 Gather required documents and information

Step 3 Complete and fax enrollment forms

Step 4 Register for your provider portal account

Step 5 Wait up to 90 days for processing

Step 1: Get credentialed

In order to become a provider for Blue Cross Blue Shield of Michigan you need to be credentialed.

This process verifies the licenses and qualifications of a provider and ensures that they meet the state requirements for health care. Blue Cross Blue Shield of Michigan doesn't directly handle credentialing for providers.

Blue Cross Blue Shield of Michigan doesn't directly handle credentialing for providers. In order to complete the process, visit CAQH.org. There you'll receive the NPI number you need for enrollment.

Questions:

During the credentialing or recredentialing process, you can ask questions about the status of your application, ask to review information submitted to support your application and correct anything in error by calling us at 1-800-822-2761.

Credentialing Rights

These are your rights during the credentialing process that you are entitled to.
